WORKING SAFE – PMI provides value-added safety services for business, industry and community agencies who strive to establish a safe and healthy work environment for the benefit of their organization and its workers.

In July, **WORKING SAFE – PMI** will be offering the following training programs at Precision Manufacturing Institute's Meadville location:

OSHA 10-Hour General Industry

This course introduces students to OSHA policies, procedures and standards as well as general industry safety and health principles covered in OSHA Act Part 1910. Participants will receive an OSHA 10-Hour General Industry Outreach DOL course completion card.

Date: Fridays, July 16 & 23

Time: 8:00 am—1:30 pm

Price: \$80.00/student

Hazard Communication

This course is designed to help employees understand the hazards associated with chemicals and it addresses the requirements outline.
in 29 CFR 1910.1200, subpart Z.

Date: Wednesday, July 21

Time: 8:00 am—10:00 am

Price: \$40.00/student

Investigating Workplace Accidents

This course is designed to instruct employees in the necessary elements for investigating workplace accidents.

Date: Friday, July 30

Time: 8:00 am—10:00 am

Price: \$40.00/student

To enroll in any of the above courses, contact Denise Craven at
(814) 333-2415 or dcraven@pmionline.edu.
