

PMI Schedule for Mechatronics Apprenticeship Classes

There should be a minimum of three and a maximum of 8 Mechatronics Apprentices in each course. Exceptions **may** be made when/if it's appropriate.

Cohort #1- Mechatronics Apprenticeship This schedule will complete the Mechatronics Apprenticeship training at PMI for the first cohort that started with the Welding class.

Mechanical Drives 72 hrs – Tues. and Thurs. 4:00pm – 7:00pm

Jan, 06 2015 – March 26, 2015

Fluid Power 72hrs – Mon. and Wed. 4:00pm – 7:00 pm

April 06, 2015 – July 08, 2015

Fundamentals of Electricity 72 hrs – Mon. and Wed. 4:00pm – 7:00pm

July 20, 2015 – October 21, 2015

Electrical Motor Control 48hrs – Mon. and Wed. 4:00pm – 7:00pm

November 02, 2015 – January 04, 2016

AC/DC Applications 48hrs - Mon. and Wed. 4:00pm – 7:00pm

January 18, 2016 – March 09, 2016

Preventive Maintenance App. 48 hrs - Mon. and Wed. 4:00pm – 7:00pm

Mar 21, 2016 – May 11, 2016

Machine Shop Operations 48hrs - Mon. and Wed. 4:00pm – 7:00pm

June 06, 2016 – August 03, 2016

PLC 96 hrs - Mon. and Wed. 4:00pm – 7:00pm

August 15, 2016 – December 07, 2016

Cohort #2 (New starters or re-starters) Mechatronics Apprenticeship Cohort #2 will merge with Cohort #1 in the **Fluid Power** Class beginning April 6, 2015. Other missed courses will follow in January 2017.

Math 24hrs - Wed. 4:00pm – 7:00pm

Feb 18th – Mar. 25, plus Mar. 30 and April 1, 2015

Print Reading 36hrs - Tues. and Thurs. 4:00pm – 7:00pm

Feb, 03- Feb 26, 2015

Inspection Principles – 12hrs - Tues. and Thurs. 4:00pm – 7:00pm

March 17th – 26th, 2015
